Routledge, the social & behavioral sciences division of Taylor & Francis, is dedicated to the dissemination of academic and professional information, utilizing skills and expertise honed since the company first began publishing learned journals in 1798. Today, we publish 1,562 scholarly journals in association with 460 societies and institutions.

Our publishing team is truly international. With a network of 20 global offices – including Philadelphia, Oxford, Melbourne, Beijing, New Delhi, Stockholm, Johannesburg and Singapore – we provide local support and expertise around the globe.

We have played a major role in the internationalization of research, publishing groundbreaking work across disciplines from scholars including Bertrand Russell, Claude Lévi-Strauss, Sigmund Freud, Carl Jung, Jean-Paul Sartre, Jacques Derrida, Michel Foucault, Herbert Marcuse, Karl Popper, Albert Einstein, Max Weber and Iris Murdoch.

Routledge is the world’s foremost sexualities publisher, creating and expanding a dynamic, diverse, and authoritative portfolio that features long-established journals such as the Journal of Sex Research, Journal of Homosexuality, Journal of Sex and Marital Therapy to newer highly regarded additions such as Culture, Health & Sexuality, International Journal of Sexual Health and our newest 2010 launch Psychology & Sexuality. Quality of the content and professional as well as academic reach are priorities – many of the titles in the portfolio are indexed in MEDLINE and the Social Science Citation Index. We remain committed to investment in sexual health and sexual diversity in today’s fast-moving research and practice environments.

We are proud to publish journals in collaboration with many prestigious learned societies and professional associations — including the Society for the Scientific Study of Sexuality, the British Association for Sexual and Relationship Therapy, the National Organisation for the Treatment of Abusers, the World Association for Sexual Health, and the Association of Lesbian, Gay, Bisexual and Transgender Issues in Counseling.

The provision of new, innovative products and services, delivered at the cutting edge of technology, is central to Routledge’s publishing ethos. Routledge aims to build on its unrivalled books and journals presence, via its unified online platform www.informaworld.com.

The Routledge Handbook of Sexuality, Health and Rights
Edited by Peter Aggleton and Richard Parker
A detailed and up-to-date reference work, the Routledge Handbook of Sexuality, Health and Rights provides an authoritative overview of the main issues in the field today. Leading academics and practitioners are brought together to reflect on past, present and future approaches to understanding and promoting sexual health and rights. Divided into nine parts, it covers:

- Pioneering beginnings
- Language, discourse and sexual categories
- From sexuality to health
- The reproductive imperative
- How to have sex in an epidemic
- The choreography of sex
- The darker side of sex
- From sexual health to sexual rights
- Struggles for erotic justice.

This handbook surveys the state of the discipline and offers an examination and discussion of emerging, controversial and cutting edge areas. It is an essential reference for academics and researchers in the fields of sexuality studies, sexual health and human rights, and offers key reading for more advanced students.

January 2010: 246 x 174: 512pp
HB: 978-0-415-46864-0: £125.00
