

## From Downtown to Faculty of Psychology and Educational Sciences of University of Porto (Conference Venue)

### A step-by-step guide

**1<sup>st</sup> Step:** Get on the nearest subway station, charge your Andante ticket with Z2 trips. Each trip you buy in this area costs 1,20 € and is only valid for one hour since the moment you validate your ticket

**2<sup>nd</sup> Step:** Validate your Andante ticket, using one of the machines provided (You must see a green/yellow light. If it is red, you might have to charge the card with more journeys)

**3<sup>rd</sup> Step:** Make sure that the station you got in belongs to the Yellow Line/ Line D. If your journey begins downtown, and you caught the Yellow Line, make sure you catch the metro on the direction *Hospital São João*.

If you did not get on the Yellow Line/ Line D, you should catch any metro that stops on *Trindade* (the main station, where all the lines meet; circled in back on the map below; note that in order to get there and catch a metro there, you will have to mind the directions). Once in *Trindade*, get on the Yellow Line/ Line D – Direction *Hospital São João*.

**4<sup>th</sup> Step:** Get on the metro

**5<sup>th</sup> Step:** Get off at the *Pólo Universitário* metro station (on the map below, marked with a black rectangle)
